

# HOMELESS FUND

Donations to the Friends of Tulare County Homeless Fund will help supply toiletries, clothing, identification card/application fees, furnishings, or cooking utensils/appliances, or may fund expenses like a utility bill or car repair for those experiencing, at risk for, or exiting homelessness.

Funding may help to bridge any system gaps where funding, supplies, or resources are not otherwise available. Whether sheltered or unsheltered, these individuals need a supportive hand and philanthropic generosity to help ease the burdens of their situation and transition into a better future.
